

# FILMING NOTICE

Dear Neighbor,

CBS TV and the CW Network will be filming scenes for a new TV Pilot entitled "Cooper & Stone" at a private residence in your area on March 22 and 23, 2011. The show is about the personal and professional lives of 2 female Chicago Police Detectives.

The scenes we are proposing to film include the aftermath of a home fire. We will not be using any fire effects, but there will be fire trucks, ambulances, and Chicago Police cars on Rockwell for this scene. Be advised, this is only a simulation of the events immediately following when a home fire has been extinguished. There are additional scenes to be filmed inside 2 different private homes in your neighborhood over the 2 days of filming.

To accommodate our production vehicles, safety, and the integrity of our scenes, we are asking the City of Chicago to post "No Parking" signs in the following areas beginning Tuesday evening at 6pm and going through Thursday evening approximately 11pm:

- Both sides of Rockwell, Wilson to Sunnyside
- Both sides of Wilson, Maplewood to Campbell
- Both sides of Sunnyside, Maplewood to Campbell

3/22 - 23 - 24

We are also asking permission to control vehicular and pedestrian traffic on Rockwell while we film on Wednesday and Thursday. For those of you that live on Virginia, we understand you need access to Windsor in order to get home. We will maintain a lane on Rockwell so you can get home, although we may ask you to occasionally wait for a brief period of time while the camera is rolling.

We are coordinating our efforts with the Chicago Film Office and the Chicago Police Department will be on hand to provide a safe filming environment for everyone. If you have any questions, please contact the "Cooper & Stone" Locations Department at 312-813-7555.

Thank you and we look forward to working with you.

Best,

Brady Breen
